

Reading Scripture Reading Plan

STRUCTURE

This plan takes you through approximately two thirds of the Bible in 10 months. The scriptures are organized in semi-chronological order and linked closely to our preaching series. You'll read two or three chapters per day, and sometimes skim through larger portions that contain genealogies, etc.

PSALMS

One Psalm is listed each day for you to slowly pray through, making its words your own. By the end you'll have prayed through the book of Psalms 1.5 times

VIDEOS

Each day you come to a new biblical book there will be a short animated video on The Bible Project website about that book's design and message and what to look for as you read. You can also sign up to have those videos emailed to your inbox. In addition to videos regarding books of the Bible, you will find theme videos relating to several topics that appear throughout Scripture.

RS - READ SCRIPTURE SERIES

THM - BIBLICAL THEMES SERIES

TOR - TORAH SERIES

WIS - WISDOM SERIES

GOS - GOSPEL SERIES

READING IN COMMUNITY

Although this plan could be a solo endeavour, scripture reading is best done in community. This can take the shape of identifying a reading partner or engaging this plan as a Community Group. Either way, you are encouraged to meet with someone each week to discuss what you have been reading. The following questions can help you have open, honest conversations:

1. What stood out to you this week?
2. Was there anything confusing or troubling?
3. Did anything make you think differently about God?
4. How might this change the way we live?

ADDITIONAL RESOURCES

Reading the Bible For All Its Worth by Gordon Fee & Douglas Stuart is available from the office or your local bookstore. This book has excellent introductions for reading various styles of scripture (poetry, parables, etc). The Bible Project also has a companion series entitled *How to Read the Bible* that explores similar themes.
